Bagh Chal

NEPAL · C. 1500 · 2 PLAYERS

20 goats

1. 20 goats, 4 tigers.

Four tigers in the corners. Twenty goats wait to arrive, placed one by one.

2. Tigers jump to eat.

A tiger jumps over a goat into the empty point right behind it, and eats it.

3. How to win.

Tigers win when they have eaten five goats. Goats win when every tiger is blocked: no slide, no jump.
